

DR Bun Divider Rounder serie

DR

Semi-automatic divider and rounder

- Unique easy forward-tilting system provides user-friendly, efficient and safe opening for cleaning
- Manual dough dividing and powered rounding action with easy and simple weight adjustment
- Energy efficient due to automatic motor switch only operating when machine is rounding
- Extremely stable due to heavy 80 kg iron foot counter-weight with overhang and widely placed wheels
- Cast iron footing on wheels provides flexibility together with extra stability
- Three lightweight synthetic rounding plates included
- Stainless steel dividing knife
- Coated anodized aluminum dividing disc
- Stable, smooth and quiet in daily operation
- Easy cleaning with minimum maintenance required

Power 0.6 kW, 3-phase, net weight 340 kg
WxDxH 62 x 67 x 146 cm

A unique easy forward-tilting system helps you clean the robust dividing assembly without effort, saving time every day.

All Daub bun divider rounders come standard with three synthetic rounding plates.

A heavy counter-weight provides stable footing. No damper is required and the stability of the machine protects the floor and adjacent furniture, at the same time it is easily moved.

The anodized coated aluminium dividing disc and stainless steel knife require minimal flour for dividing and are hygienic in use..
